The applicant acknowledges by evidence of their signature that this residential boating facility has been constructed and is currently maintained in accordance with the conditions and/or stipulations of its authorization, permit, and/or assent; that if the CRMC finds that a residential boating facility is not in compliance with its authorization, permit or Assent, the owner of the dock may be required, by the CRMC, to bring the dock into compliance and may be subject to fines and penalties of both the CRMC Dock Registration Program and the Rhode Island Coastal Resources Management Program; and that they or their heirs and successor agrees to submit an application for a new dock or remove the dock applied for within the time frame specified on permit and they agree to be bound by the Council decision on said matter. Applications may be subject to approval, modification, or denial. The applicant also acknowledges by evidence of their signature that to the best of their knowledge the information contained in the application is true and valid. The filing of false information can result in the Coastal Resources Management Council revoking the state assent. Applicant acknowledges that as a condition to the granting of this assent, members of the CRMC or its staff shall have access to the applicants property to make on-site inspections to insure compliance with the assent. This application is made under oath and subject to the penalties of perjury.
