PUBLIC NOTICE

File Number: 1997-04-002 Modification Date: August 24, 2021

This office has under consideration the application of:

**Department of Environmental Management
Division of Fish and Wildlife
277 Great Neck Road
West Kingston, RI 02892**

for a State of Rhode Island Assent to construct and maintain:

Replacement of the existing DEM boat ramp and fixed pier. The new pier is L-shape with the long section consisting of a 6 ft wide pier that will extend out from the shoreline next to the existing boat ramp. The smaller section is 4 ft wide and 21 ft long this will run along parallel to the shoreline. The new facilities will include a 20 ft wide concrete slab boat ramp connected to end of the long section of the new pier. The new pier will extend from shore 13 ft beyond the pier current length.

Project Location:	Main Street
City/Town:	Westerly
Plat/Lot:	66 / 21
Waterway:	Pawcatuck River

Plans of the proposed work may be seen at the CRMC office in Wakefield.

In accordance with the Administrative Procedures Act (Chapter 42-35 of the Rhode Island General Laws) you may request a hearing on this matter.

You are advised that if you have good reason to enter protests against the proposed work it is your privilege to do so. It is expected that objectors will review the application and plans thoroughly, visit site of proposed work if necessary, to familiarize themselves with the conditions and cite what law or laws, if any, would in their opinion be violated by the work proposed.

If you desire to protest, you must attend the scheduled hearing and give sworn testimony. A notice of the time and place of such hearing will be furnished you as soon as possible after receipt of your request for hearing. If you desire to request a hearing, to receive consideration, it should be in writing (**with your correct mailing address, e-mail address and valid contact number**) and be received at this office on or before September 24, 2021.
