PUBLIC NOTICE

File Number: 2009-10-112 Date: November 3, 2009

This office has under consideration the application of:

Paul & Susan Porter
99 New Meadow Road
Barrington, RI 02806

for a State of Rhode Island Assent to construct and maintain a residential boating facility consisting of a 4' wide by 72' long fixed timber pier that leads to a 3' x 20' ramp that leads to a 150 s.f. terminal float. The proposed structure is to extend 75 feet seaward of the cited Mean Low Water mark and a variance to the RICRMP dock length standard is requested.

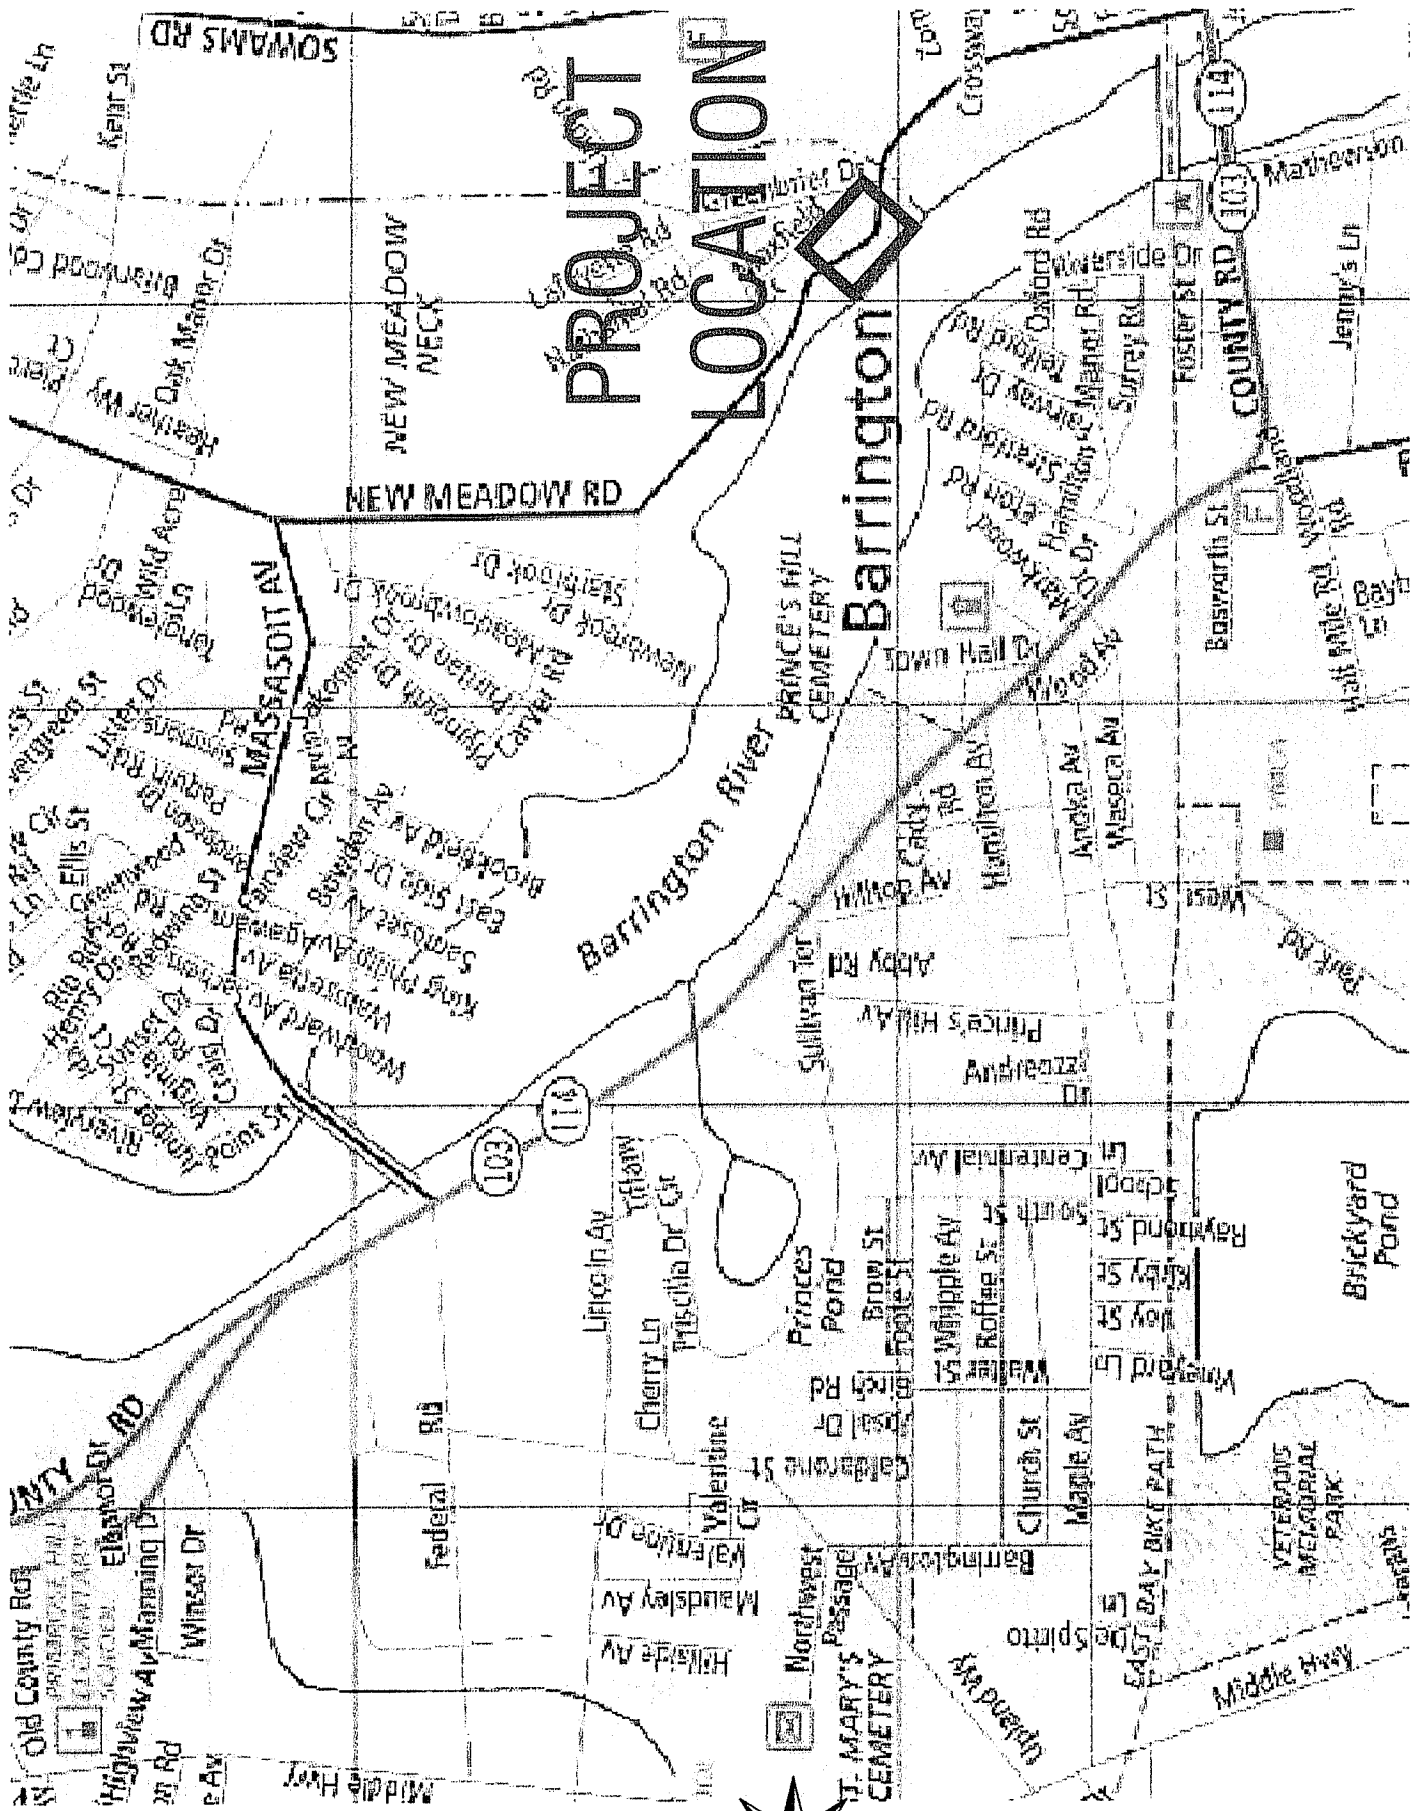

Project Location:	99 New Meadow Road
City/Town:	Barrington
Plat/Lot:	28 / 238
Waterway:	Barrington River

Plans of the proposed work may be seen at the CRMC office in Wakefield.

In accordance with the Administrative Procedures Act (Chapter 42-35 of the Rhode Island General Laws) you may request a hearing on this matter.

You are advised that if you have good reason to enter protests against the proposed work it is your privilege to do so. It is expected that objectors will review the application and plans thoroughly, visit site of proposed work if necessary, to familiarize themselves with the conditions and cite what law or laws, if any, would in their opinion be violated by the work proposed.

If you desire to protest, you must attend the scheduled hearing and give sworn testimony. A notice of the time and place of such hearing will be furnished you as soon as possible after receipt of your request for hearing. If you desire to request a hearing, to receive consideration, it should be in writing and be received at this office on or before December 3, 2009.
