JOINT PUBLIC NOTICE

CRMC File No.: 2012-10-038 Date: October 24, 2012

RIDEM Water Quality Certification Number: DP 12-121

These offices have under consideration the application of:

Marina Realty Inc.
c/o John Dickerson
17 Arnold's Neck Drive
Warwick, RI 02886

for State of Rhode Island Assent (in accordance with the Coastal Resources Management Program), and a State of Rhode Island Dredge Permit (in accordance with the Marina Infrastructure Maintenance Act of 1996 and the Marine Waterways and Boating Facilities Act of 2001, Rhode Island General Laws Chapter 46-6.1) and State of Rhode Island Water Quality Certification (in accordance with Chapter 42-35 pursuant to Chapters 46-12 and 42-17.1 of the RIGL, as amended).

The project will include:

Expanding the existing Marina Perimeter Limit (MPL) 50' north to allow a reconfiguration of the existing docks to accommodate larger vessels. There will be no increase in the number of vessels. There will be new dredging within the revised MPL to a depth of -6 feet mean low water with one foot over depth. There is approximately 3,000 CY of dredging with disposal in the CAD cells. The project will include replacement floats and new pilings associated with the reconfiguration.

Project Location: Apponaug Cove Marina

Street & Number: 9 Shattock Avenue

City/Town: Warwick

Plat Number: 365 Lot Number: 172 & 173

Waterway: Apponaug Cove

Plans of the proposed work may be seen at the CRMC office in Wakefield.

RICRMC/RIDEM Joint Public Notice
CRMC File No. 2012-10-038
October 24, 2012
Page Two

In accordance with the Administrative Procedures Act (Chapter 42-35 of the Rhode Island General Laws) you may request a hearing on this matter. You are advised that if you have good reason to enter protests against the proposed work it is your privilege to do so. It is expected that objectors will review the application and plans thoroughly, visit site of proposed work if necessary, to familiarize themselves with the conditions and cite what law or laws, if any, would in their opinion be violated by the work proposed.

This also serves as notice that the Rhode Island Department of Environmental Management, Office of Water Resources, Water Quality Certification Program has under consideration and review the same proposed activity as described above for compliance with the State's Water Quality Regulations (AUTHORITY: in accordance with Clean Water Act, as amended (33 U.S.C. 1251 et.seq.; Chapter 42-35 pursuant to Chapters 46-12 and 42-17.1 of the Rhode Island General Laws of 1956, as amended).

If you desire to protest, you must attend the scheduled hearing and give sworn testimony. A notice of the time and place of such hearing will be furnished you as soon as possible after receipt of your request for hearing. If you desire to request a hearing, to receive consideration, it should be in writing and be received at this office on or before November 24, 2012.

It is expected that objectors will review the application and associates plans thoroughly. Comments that pertain to this Joint Notice must be submitted in writing and must be addressed to Rhode Island Coastal Resources Management Council and Rhode Island Dept of Environmental Management at the above referenced addresses.
