PUBLIC NOTICE

File Number: 2016-11-015

Date: 22 November 2016

This office has under consideration the application of:

Village at Potter Pond LLC
P O Box 5402
Wakefield, RI 02880

for a State of Rhode Island Assent to construct and maintain: a community On-site Wastewater Treatment System to replace existing cesspool systems currently servicing existing cottages. This system represents Phases 3-5 of a RIDEM and Town-approved replacement program and includes the installation of OWTS tanks, distribution lines and leachfields. The proposed technology design for a combined flow of 11,045 gallons/day will remove nitrogen and mitigate impacts to water quality and no increase in flow is proposed under this request. The project is being reviewed as a Watershed Activity pursuant to Chapter 9 regulations of the RI Salt Pond Region Special Area Management Plan and also includes replacement of existing water lines.

Project Location:	Succotash Road
City/Town:	South Kingstown
Plat/Lot:	87-3 / 5
Waterway:	Potter Pond

Plans of the proposed work may be seen at the CRMC office in Wakefield.

In accordance with the Administrative Procedures Act (Chapter 42-35 of the Rhode Island General Laws) you may request a hearing on this matter.

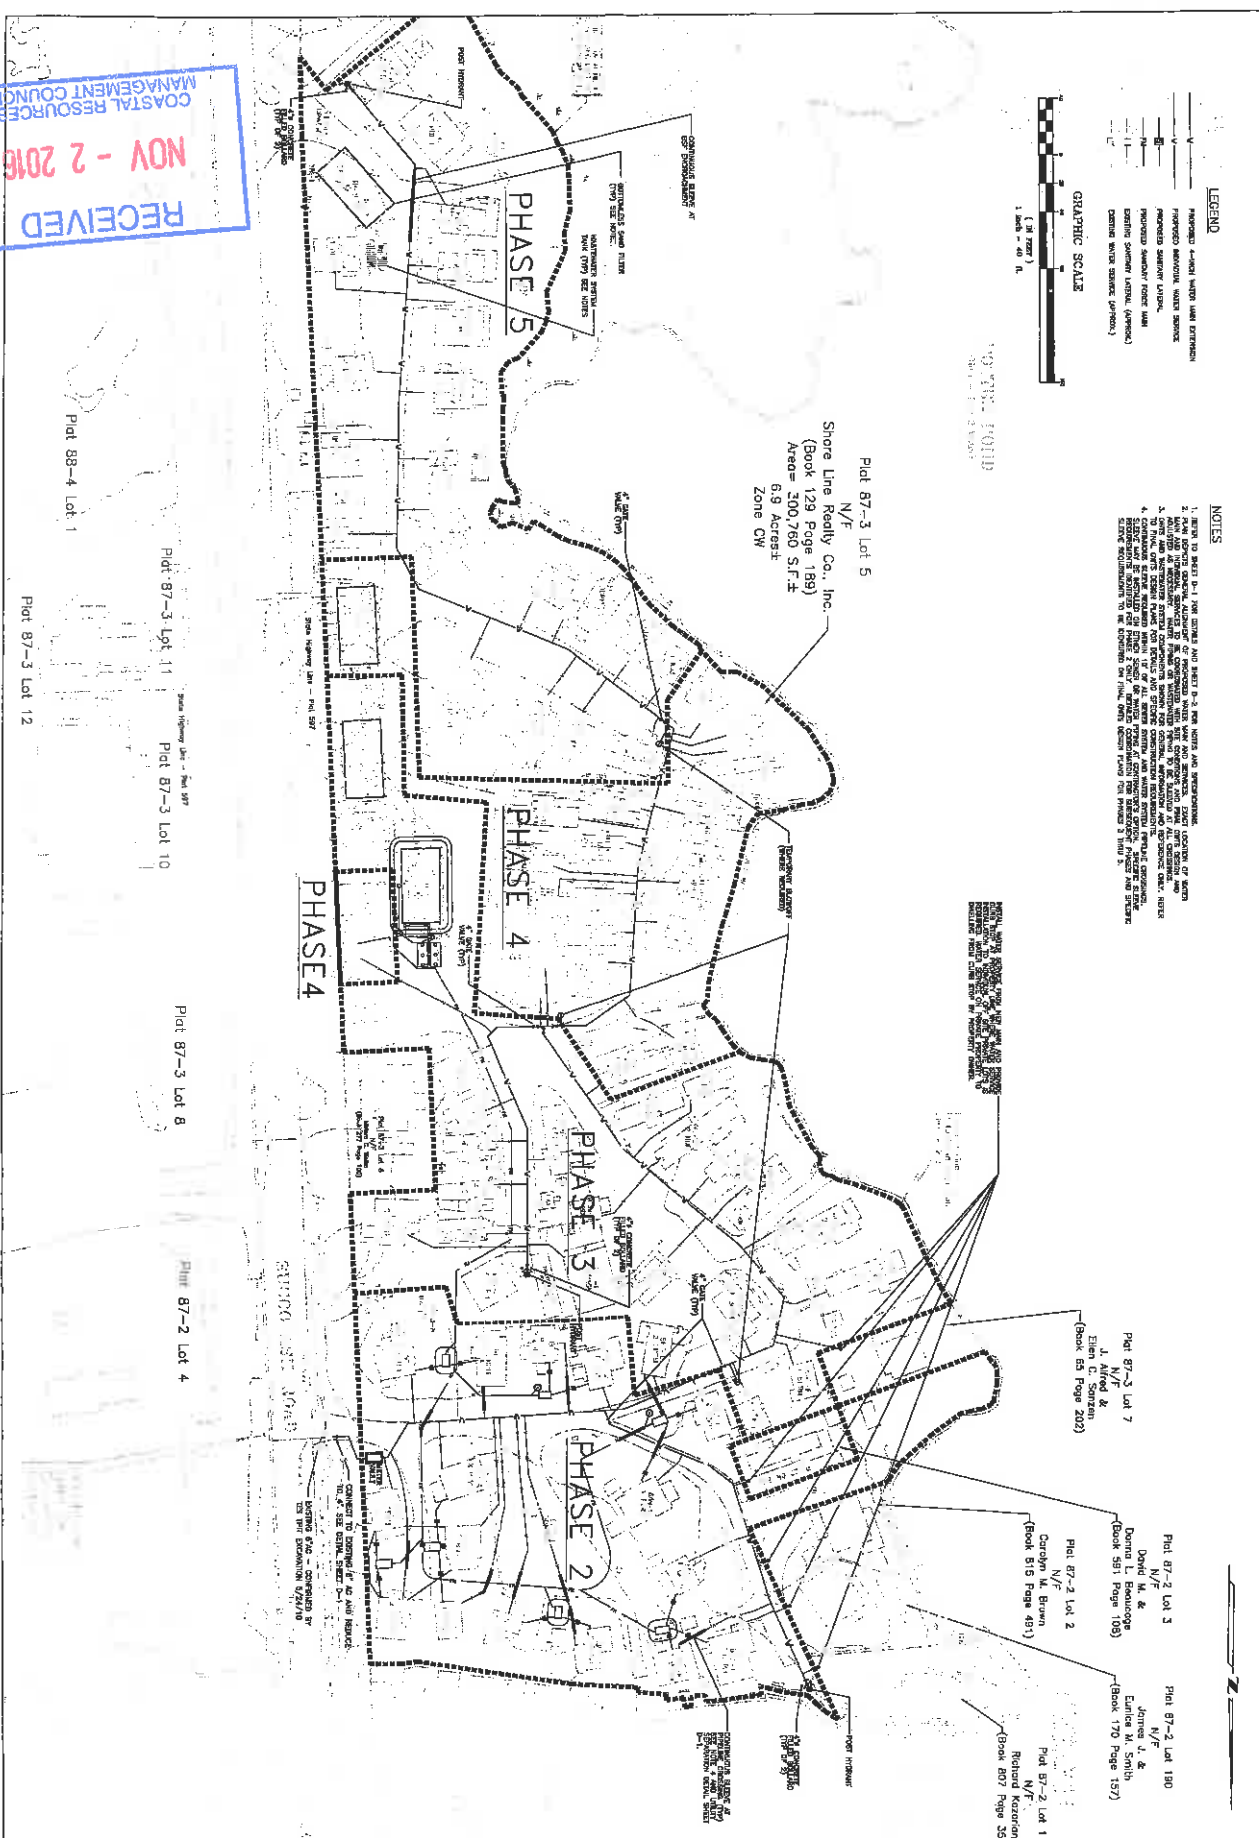

You are advised that if you have good reason to enter protests against the proposed work it is your privilege to do so. It is expected that objectors will review the application and plans thoroughly, visit site of proposed work if necessary, to familiarize themselves with the conditions and cite what law or laws, if any, would in their opinion be violated by the work proposed.

If you desire to protest, you must attend the scheduled hearing and give sworn testimony. A notice of the time and place of such hearing will be furnished you as soon as possible after receipt of your request for hearing. If you desire to request a hearing, to receive consideration, it should be in writing (**with your correct mailing address, e-mail address and valid contact number**) and be received at this office on or before December 22, 2016.
