JOINT PUBLIC NOTICE

CRMC File Number: 2017-12-040

Date: January 8, 2018

RIDEM Water Quality Certification Number: 17-236

These offices have under consideration the application of:

The Narragansett Electric Company d/b/a National Grid
40 Sylvan Road
Waltham, MA 02451

for State of Rhode Island Assent (in accordance with the Coastal Resources Management Program), and State of Rhode Island Water Quality Certification (in accordance with Chapter 42-35 pursuant to Chapters 46-12 and 42-17.1 of the RIGL, as amended) to:

Construct replacement/repairs of shoreline protection facilities along approximately 1,050 linear feet of the Providence River extending from the Point Street Bridge north to the north end of the South Street Substation in accordance with the submitted plans.

Project Location: Along the shoreline in the vicinity of 342 Eddy Street (and south to Point St.)

Street & Number: 342 Eddy Street

City/Town: Providence

Plat Number: 21 Lot Number: 253 (formerly 429)

Plans of the proposed work may be seen at the CRMC office in Wakefield.

In accordance with the Administrative Procedures Act (Chapter 42-35 of the Rhode Island General Laws) you may request a hearing on this matter. You are advised that if you have good reason to enter protests against the proposed work it is your privilege to do so. It is expected that objectors will review the application and plans thoroughly, visit site of proposed work if necessary, to familiarize themselves with the conditions and cite what law or laws, if any, would in their opinion be violated by the work proposed.
