## **JOINT PUBLIC NOTICE**

CRMC File No.: 2020-10-013 Date: October 7, 2020

RIDEM Water Quality Certification Number: WQC 20-178 DP 20-185

These offices have under consideration the application of:

Town of New Shoreham  
Old Town Road  
P.O. Box 220  
New Shoreham, RI 02807

for State of Rhode Island Assent (in accordance with the Coastal Resources Management Program), and a State of Rhode Island Dredge Permit (in accordance with the Marina infrastructure Maintenance Act of 1996 and the Marine Waterways and Boating Facilities Act of 2001, Rhode Island General Laws Chapter 46-6.1) and State of Rhode Island Water Quality Certification (in accordance with Chapter 42-35 pursuant to Chapters 46-12 and 42-17.1 of the RIGL, as amended) to perform

The project will include: Maintenance dredging of sandy material from around the bait dock in Old Harbor with beneficial reuse of the sand at Town beaches. Currently the dredge footprint has approximately 3,350 CY of material. The application is to have a long term (10 year) permit for maintenance dredging in this footprint. The dredging is proposed to be via mechanical dredging with either the Crescent beach nearshore site or direct placement via a trucking operation on other Town beaches.

Project Location: Bait Dock  
Street & Number: Old Harbor  
City/Town: New Shoreham  
Plat Number: 7 Lot Number: \_\_\_\_\_  
Waterway: Old Harbor, Block Island

Plans of the proposed work may be seen at the CRMC office in Wakefield.

In accordance with the Administrative Procedures Act (Chapter 42-35 of the Rhode Island General Laws) you may request a hearing on this matter. You are advised that if you have good reason to enter protests against the proposed work it is your privilege to do so. It is expected that

Page Two

objectors will review the application and plans thoroughly, visit site of proposed work if necessary, to familiarize themselves with the conditions and cite what law or laws, if any, would in their opinion be violated by the work proposed.

This also serves as notice that the Rhode Island Department of Environmental Management, Office of Water Resources, Water Quality Certification Program has under consideration and review the same proposed activity as described above for compliance with the State's Water Quality Regulations (AUTHORITY: in accordance with Clean Water Act, as amended (33 U.S.C. 1251 et.seq.; Chapter 42-35 pursuant to Chapters 46-12 and 42-17.1 of the Rhode Island General Laws of 1956, as amended).

If you desire to protest, you must attend the scheduled hearing and give sworn testimony. A notice of the time and place of such hearing will be furnished you as soon as possible after receipt of your request for hearing. If you desire to request a hearing, to receive consideration, it should be in writing and be received at this office on or before November 7, 2020.

It is expected that objectors will review the application and associates plans thoroughly. Comments that pertain to this Joint Notice must be submitted in writing and must be addressed to Rhode Island Coastal Resources Management Council and Rhode Island Dept of Environmental Management at the above referenced addresses.
