PUBLIC NOTICE

File Number: 2022-01-010  Date: February 21, 2022

This office has under consideration the application of:

Department of Environmental Management  
Division of Planning and Development  
235 Promenade Street  
Providence, RI 02908

for a State of Rhode Island Assent to construct and maintain: RIDEM proposes to construct a new boardwalk comprised of precast piles, beams, and deck panels to be installed along the north side of the existing bulkhead over the existing impervious bituminous parking lot. A cast-in-place concrete wall will be constructed along the existing steel sheet pile wall alignment to support the south side of the boardwalk. Ancillary “bump-outs” along the southern side of the boardwalk include two shade structures, two patios, and two foot-wash stations. In addition to these bump-outs, numerous stairs and ramps will be located throughout the length of the boardwalk to provide ADA accessible access to boardwalk and shoreline. A 50-foot construction setback is required (per RICRMP 1.1.9.B), a variance from this requirement per section 1.1.7(A) of the RICRMP is requested. Additionally, the work proposed includes work on the beach bordering Type 1 waters, which is prohibited per RICRMP section 1.2.2 (A)(b). RIDEM requests a Special Exception to allow the work to proceed.

Plans of the proposed work may be seen at the CRMC office in Wakefield.

In accordance with the Administrative Procedures Act (Chapter 42-35 of the Rhode Island General Laws) you may request a hearing on this matter.

You are advised that if you have good reason to enter protests against the proposed work it is your privilege to do so. It is expected that objectors will review the application and plans thoroughly, visit site of proposed work if necessary, to familiarize themselves with the conditions and cite what law or laws, if any, would in their opinion be violated by the work proposed.

If you desire to protest, you must attend the scheduled hearing and give sworn testimony. A notice of the time and place of such hearing will be furnished you as soon as possible after receipt of your request for hearing. If you desire to request a hearing, to receive consideration, it should be in writing (with your correct mailing address, e-mail address and valid contact number) and be received at this office on or before March 21, 2022.
GENERAL NOTES:

1. All dimensions shall be in feet unless otherwise noted.

EROSION CONTROL NOTES:

1. The contractor shall provide erosion control measures that are consistent with the proposed design.

2. All erosion control measures shall be maintained during construction.

3. All erosion control measures shall be maintained after construction.

4. All erosion control measures shall be maintained after construction.

5. All erosion control measures shall be maintained after construction.

6. All erosion control measures shall be maintained after construction.

7. All erosion control measures shall be maintained after construction.

8. All erosion control measures shall be maintained after construction.

9. All erosion control measures shall be maintained after construction.

10. All erosion control measures shall be maintained after construction.
