Dear Mr. Fugate:

The South Kingstown Waterfront Advisory Commission held its regular monthly meeting on Thursday, February 1, 2018. CRMC Public Notice re: file #2017-12-86 was on the agenda (New Business Item A) for review. The Public Notice, dated January 3, 2018, was received by the Town of South Kingstown on January 8th. The notice was placed on the agenda for the Waterfront Advisory Commission's next scheduled meeting, February 1, 2018. Unfortunately, this left only 24 hours to meet CRMC's deadline for public comment and objection.

In light of new information and concerns voiced by members of the public at the Waterfront Advisory Commission's February 1st meeting, the WAC voted unanimously to table the item and request special dispensation from CRMC to allow the WAC to provide comments and possible objections to the application at a date after the February 2nd deadline.

On behalf of the South Kingstown Waterfront Advisory Commission, I am requesting that you accept this letter as a formal request to afford the South Kingstown WAC an opportunity to submit materials related to the application after February 2nd. The WAC anticipates being able to provide CRMC with a formal response and commission position on or before February 16, 2018.

Thank you for your consideration. Should you have any questions or wish to discuss this request further, please do not hesitate to contact me directly.

Sincerely,

Robert C. Zarnetske
Town Manager
