The Opposition's testimony and cross-examination is underway and expected to continue at the next Subcommittee hearing date (December 4, 2020). It may require the entire time allotted for this hearing date. After the opposition's case has been presented and the applicant completes its re-direct, the subcommittee will take public comments.

We apologize for any inconvenience.

Once scheduled, the Public Comment date will be posted here on the CRMC's webpage as well as on the appropriate CRMC Calendar date.

A reminder that sign-up for public comment has concluded.

However the subcommittee has collected the names and email addresses of those that have signed up in the order which they were received. This will be the order for speaking purposes as well. Staff has posted this list on its website to help assist with the speaking order.

Please know that there are approximately 70 people who have signed-up to speak on this matter. The subcommittee will be asking each speaker to limit their comments to 2-3 minutes each in order to facilitate all speakers.
