***In re: Revolution Wind, LLC, Application to Construct and Maintain Two 23-Mile Submarine Export Cables through the West Passage of Narragansett Bay to the Cable Landing Location in North Kingstown and Other Associated Facilities.***

Dear Mr. Willis,

In accordance with Rule 1.5.9 of the Council's Management Procedures, 650 RICR 10-00-1.5.9, please find enclosed for filing in the above-referenced matter four (4) copies of Revolution Wind's Prehearing Disclosure of Witnesses, Supplemental Evidence, Data, And Issues with attachments. Revolution Wind makes this submission in support of its Application for Category B Assent, which is scheduled to be heard by the Council on November 1, 2022 and November 22, 2022.

Thank you for your attention to this matter.

Very truly yours,

Robin L. Main  
Christine E. Dieter
