Hi, my name is Jody King I am a commercial Shellfishermen in Rhode Island. I have been working in Barrington Beach when permitted to be open for now 25 years. I am adamantly opposed to this lease application. That is before CRMC. I was on the Rhode Island marine fisheries Council for eight years and for eight years we have opposed any leases in the upper Narragansett bay area A. I am also on the Warwick Harbor commission and share that commission. We have a public meeting tonight since I share the commission I cannot be there to voice my concerns. I was and still am opposed to this application in area A. I wish I could be there to voice ALL of my concerns at this public meeting of Crmc tonight in person. If you have any questions, please call 401-742-5982.

Thank you,  
Jody F King
