Subject: RE: Revolution Wind - Third Party Inspector and Fisheries Representative
Attachments: Hall_Resume_EMD_2023.pdf

Good afternoon, Jeff.

Revolution Wind submitted a package on August 25 that included a proposed Fisheries Representative. Unfortunately, due to unforeseen circumstances, the gentleman referenced in that package will no longer be able to serve in that capacity and we would like to instead recommend Mr. Maxwell Hall to serve as the proposed third-party fisheries representative under Staff Stipulation S of the CRMC Category B Assent dated May 5, 2023. Please see the attached resume for Mr. Hall. As required by the Assent, Revolution Wind respectfully requests that the Council ratify the selection of Mr. Hall to serve as the third-party fisheries representative in the September 26th meeting along with the Third Party Environmental Inspector.

If you have any questions or require additional information, please do not hesitate to contact either myself at azuni@orsted.com or Megan Eakin at megea@orsted.com.

Best regards,

Subject: Revolution Wind - Third Party Inspector

Good afternoon, Jeff.

Revolution Wind, LLC (Revolution Wind) is pleased to submit its proposal to have Environmental Resources Management, Inc. (ERM) serve as the Third-Party Environmental Inspector (TPI) to the Rhode Island Coastal Resources Management Council (CRMC) for the Revolution Wind project offshore construction. In addition, Revolution Wind is pleased to recommend Mr. Todd Corayer to serve as the third-party fisheries representative. Please see the attached package for additional information and do not hesitate to contact Megan Eakin, Permit Manager for Revolution Wind, at megea@orsted.com, with any questions or if additional information is needed regarding the submitted proposal.

Best regards,
