RE: CRMC File No. 2021-05-075
Site Location: 80 Washington Street, Newport
Plat(s): 12 Lot(s): 73

Dear Ms. Ropolo:

A review of your file indicates that you have not provided the information requested in the April 25, 2022 information request. Staff discussed with your attorney multiple times and provided feedback on a proposed design in June 2022, which again requested revisions. This recommendation was sent to your attorney again in early December 2022. To date no revisions have been submitted. As indicated in the information request, review cannot begin and/or continue until this information is received. On this basis, if the information requested is not received within thirty (30) days of the above date, your file will be cancelled without prejudice.

Sincerely,

Laura Miguel, Deputy Director
Coastal Resources Management Council

RE: File Number: A2021-05-075
Site Address: 80 Washington Street, Newport; Plat: 12 Lot: 73
Owner: Susan LaChapelle Ropolo
Proj. Desc: Residential Boating Facility

Dear Susan Ropolo:

The CRMC is currently reviewing your application, and has concerns that need to be addressed before further review can proceed. Please address the following issues so staff can complete review of your application:

On January 4, 2022 staff spoke with your attorney Christopher McNally, about staff concerns regarding the dock. Removal of stones and shortening the facility was suggested. Mr McNally stated that the plans would be revised and submitted. Mr. McNally expressed a desire for the matter to be brought before the Council in short order.

To date no revisions have been submitted to this office. Please submit revised plans with documentation that the objectors have either withdrawn their objections or maintain their objections within 30 days of this letter.

If the information requested is not provided within this 30 day period, the application will be cancelled without prejudice. If you have any questions regarding this letter, please contact the office.

Sincerely,

Amy Silva, Supervising Environmental Scientist
Coastal Resources Management Council
