

Suburban Coastal Landscapes Certificate Program

The URI College of the Environment and Life Sciences Extension Center in partnership with the Rhode Island Coastal Resources Management Council will hold a Coastal Landscapes Certificate workshop on Thursday, February 1st, 2007. The workshop is intended to provide guidance for landscape professionals working in suburban coastal areas. Topics covered will include:

- CRMC Buffer Zone regulations
- Low Impact Development (LID): Storm Water Management through Landscape Design
- Installing and Maintaining LID Practices: Site Preparation, Construction Concerns, Maintenance Considerations
- Coastal Plant Selection and Planting Design: the URI Coastal Plant List
- Invasive Plant Identification and Management

Where: The Coastal Institute
Narragansett Bay Campus
University of Rhode Island
Narragansett, RI 02882

When: Thursday, February 1, 2007. Registration begins at 8:30 a.m. Program begins at 9:00 a.m. and ends at 4:00 p.m.

Who should attend: Professionals performing landscape installation and maintenance in suburban coastal areas.*
