PUBLIC NOTICE

PUBLIC COMMENT PERIOD EXTENDED 30 DAYS

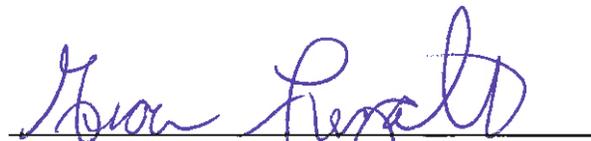

The CRMC issued public notice on November 16, 2016 regarding the federal consistency certification filed by National Grid for the proposed construction of a natural gas liquefaction facility (“project”) on Assessor’s Plat 56 Lots 316, 5 and Plat 101 Lot 1, located at 121 Terminal Road, Providence. The CRMC public notice requested public comments to be filed with the CRMC by December 23, 2016.

The CRMC is extending the public comment period for an additional 30 days until January 23, 2017. Please note that all comments should be mailed to Grover J. Fugate, CRMC Executive Director at the above address on or before January 23, 2017. **Comments must be specifically directed to the issue as to whether the proposed project is consistent with the enforceable policies of the Rhode Island Coastal Resources Management Program.**

National Grid’s consistency certification and supporting information have been assigned file number **2016-10-099** and can be reviewed at the CRMC office during regular office hours (Monday-Friday 8:30 am to 4:00 pm). In addition, a downloadable PDF file copy of National Grid’s consistency certification and supporting information, including site plans, are posted on the CRMC website at www.crmc.ri.gov.

The CRMC will schedule a public hearing in this matter for a date yet to be determined.

Signed this 20th day of December 2016.

Grover J. Fugate, Executive Director
Coastal Resources Management Council
