Regulatory Analysis Summary and Supporting Documentation:

R.I. Gen. Laws § 46-23-7.1 enables the Coastal Resource Management Council to administer and enforce administrative penalties. Also pursuant to the Red Book (650-RICR-20-00-1) CRMC Staff developed an Administrative Penalty matrix. The regulation change would allow the Executive Director or designee to consider the most recent revision of the Administrative Penalty Matrix guidance form when hearing cases that may result in administrative fines.

The intent of the matrix is to show the nexus between the CRMC's enabling legislation on assessing penalties and the rationale and backup in determining actual fines. The matrix will allow further application of set standards that will increase the transparency and fairness in hearing these matters.
