

# Marsh Tour

**Instructor:** Caitlin Chaffee, R.I. CRMC

**Date:** October 3, 2014, 10 a.m.-12 p.m. (rain date of 10/6, 1 -3 p.m.)

**Location:** Narrow River (beginning location on Middlebridge Road by Narrow River Kayaks)

Caitlin Chaffee, coastal policy analyst for the R.I. Coastal Resources Management Council, and Charlie Vandemoer, National Wildlife Refuge manager for USFWS, will lead this walking tour of the Narrow River salt marsh and describe upcoming restoration efforts, and how climate change and sea level rise are affecting coastal marshes, which serve as important buffer zones protecting upland areas. This walk will meet at the Narrow River Kayaks at Middlebridge Rd, Narragansett. Participants should wear footwear appropriate for walking in wet, muddy areas (bring waders if you have them). **Limited space available; RSVP to Tracy Kennedy at [tkennedy@mail.uri.edu](mailto:tkennedy@mail.uri.edu) or 401-874-6805.**
