PUBLIC NOTICE

Pursuant to the federal requirements of the Coastal Zone Management Act (CZMA) at 16 USC § 1455(e) and 15 CFR Part 923, Subpart H, the Rhode Island Coastal Resources Management Council (CRMC) filed with the Office for Coastal Management (OCM) of the National Oceanic and Atmospheric Administration (NOAA) on June 24, 2022 proposed program changes to the federally-approved Rhode Island Coastal Resources Management Program (RICRMP). The CRMC requested concurrence of OCM to revise/reformat the Narrow River Special Area Management Plan (650-RICR-20-00-4), the Metro Bay Special Area Management Plan (650-RICR-20-00-5), the Greenwich Bay Special Area Management Plan (650-RICR-20-00-6), and the Aquidneck Island Special Area Management Plan (650-RICR-20-00-7). The program changes are detailed within the program change submission document available on the NOAA website here:

<https://coast.noaa.gov/czmprogramchange/#/public/change-view/1278>

NOAA OCM did not receive any public or Federal agency comments for the program change submission. On August 16, 2022 NOAA OCM issued its approval letter for the requested program change with clarifications and exceptions. NOAA's approval letter can be viewed at the website noted above and on the CRMC website here: www.crmc.ri.gov.

As of the date of NOAA OCM's approval letter, the enforceable policies identified in the attached Table of Approved Changes shall be applicable in reviewing federal actions pursuant to the federal consistency requirements of the CZMA and its implementing regulations at 15 CFR part 930.

Any questions regarding this notice should be directed to Jeff Willis, Executive Director, Coastal Resources Management Council, at the address above or email: jwillis@crm.ri.gov Telephone: (401)783-3370.
