RE: Ice-damaged residential boating facility

Dear Mr. Willis:

I, _____ attest that I am the owner of an ice-damaged residential boating facility bearing CRMC Dock Registration No. _____ located at Plat _____; Lot(s) _____; (Address): _____

(Town): _____

The location of the registration plate is (describe location on the dock): _____

_____.

I attest that the proposed repairs shall not change the previously authorized design of the facility and that repairs are intended only to repair ice-damage suffered during the winter of 2026. My Assent number is _____.

Please provide full description of repair to be made: _____

With this certification request, please include the following: proof of property ownership, pictures of the damage, and the approved dock layout drawing with the repair sections identified.

I attest that the repairs shall be conducted in full compliance with the conditions of my authorizing permit, and that all work will be completed by June 30, 2026.

The filing of false information can result in the Coastal Resources Management Council revoking the state assent. Applicant acknowledges that as a condition to the granting of this assent, members of the CRMC or its staff shall have access to the applicant's property to make on-site inspections to insure compliance with the assent. This application is made under oath and subject to the penalties of perjury.

Owner's Name & Address (Print Please)

Re: Certification of Repairs to Ice-damaged Residential Boating Facilities

Dear CRMC:

I hereby attest that the repairs made were in conformance with CRMC File# _____. This letter further certifies that said repairs were made to the following CRMC-approved residential boating facility due to damage resulting from ice conditions during the winter of 2026 and not the result of work performed otherwise, under penalty of law.

All work to accomplish the above was completed prior to June 30th, 2026.

Dock Registration Number: _____
Name of Dock Owner _____
Name of Contractor/
Company _____
Address _____

Sincerely,

<Dock Contractor/Company Official>
