

Oliver Stedman Government Center
4808 Tower Hill Road
Wakefield, RI 02879
(401)783-3370

NOTICE OF PUBLIC HEARING

CRMC File No.: **2022-01-010**

Date: **August 1, 2022**

In accordance with and pursuant to the provisions of the "Administrative Procedures Act", (Chapter 42-35 et. seq. of the General Laws of Rhode Island), and the Rules and Regulations of the Coastal Resources Management Council, a hearing will be held on the petition of:

**Department of Environmental Management
Division of Planning and Development
235 Promenade Street
Providence, RI 02908**

relative to Title 46, Chapter 23, of Section 6 A, B, C, D, E, Title 46 Chapter 23 Section 18(b), Title 46, Chapter 6, Section 1, Title 46, Chapter 6, Section 2 of the Rhode Island General Laws of 1956, as amended, for a State of Rhode Island Assent for: RIDEM to construct a new boardwalk comprised of precast piles, beams, and deck panels to be installed along the north side of the existing bulkhead over the existing impervious bituminous parking lot. A cast-in-place concrete wall will be constructed along the existing steel sheet pile wall alignment to support the south side of the boardwalk. Ancillary "bump-outs" along the southern side of the board walk include two shade structures, two patios, and two foot-wash stations. In addition to these bump-outs, numerous stairs and ramps will be located throughout the length of the boardwalk to provide ADA accessible access to boardwalk and shoreline. A 50-foot construction setback is required (per RICRMP 1.1.9.B), a variance from this requirement per section 1.1.7(A) of the RICRMP is requested. Additionally, the work proposed includes work on the beach bordering Type 1 waters, which is prohibited per RICRMP section 1.2.2 (A)(b). RIDEM requests a Special Exception to allow the work to proceed. Location of project: Roger Wheeler State Beach; 100 Sand Hill Cove Road, Narragansett, RI; Plat J, lot 35; Plat N, lot 175.

The hearing will be held at 6:00 p.m. on Tuesday, August 23, 2022 in Conference Room A, Department of Administration Building, One Capitol Hill, Providence, RI.

Parties interested in/or concerned with the above mentioned matter are invited to be present and/or represented by counsel at the above mentioned time and place. Individuals requesting interpreter services for the hearing impaired must notify the Council office at 783-3370 48 hours in advance of the hearing date.

Plans of the proposed work may be seen in the office of the Coastal Resources Management Council, Oliver H. Stedman Government Center, 4808 Tower Hill Road, Wakefield, Rhode Island, between the hours of 8:30 a.m. and 3:30 p.m., Monday through Friday.

Oral statements will be heard and recorded and statements may be submitted to the hearing officers at the time of hearing.

Signed this 1st day of August, 2022.

PUBLIC NOTICE

File Number: 2022-01-010

Date: February 21, 2022

This office has under consideration the application of:

**Department of Environmental Management
Division of Planning and Development
235 Promenade Street
Providence, RI 02908**

for a State of Rhode Island Assent to construct and maintain: RIDEM proposes to construct a new boardwalk comprised of precast piles, beams, and deck panels to be installed along the north side of the existing bulkhead over the existing impervious bituminous parking lot. A cast-in-place concrete wall will be constructed along the existing steel sheet pile wall alignment to support the south side of the boardwalk. Ancillary "bump-outs" along the southern side of the board walk include two shade structures, two patios, and two foot-wash stations. In addition to these bump-outs, numerous stairs and ramps will be located throughout the length of the boardwalk to provide ADA accessible access to boardwalk and shoreline. A 50-foot construction setback is required (per RICRMP 1.1.9.B), a variance from this requirement per section 1.1.7(A) of the RICRMP is requested. Additionally, the work proposed includes work on the beach bordering Type 1 waters, which is prohibited per RICRMP section 1.2.2 (A)(b). RIDEM requests a Special Exception to allow the work to proceed.

Project Location:	100 Sand Hill Cove Road
City/Town:	Narragansett
Plat/Lot:	J N / 35 175
Waterway:	Block Island Sound

Plans of the proposed work may be seen at the CRMC office in Wakefield.

In accordance with the Administrative Procedures Act (Chapter 42-35 of the Rhode Island General Laws) you may request a hearing on this matter.

You are advised that if you have good reason to enter protests against the proposed work it is your privilege to do so. It is expected that objectors will review the application and plans thoroughly, visit site of proposed work if necessary, to familiarize themselves with the conditions and cite what law or laws, if any, would in their opinion be violated by the work proposed.

If you desire to protest, you must attend the scheduled hearing and give sworn testimony. A notice of the time and place of such hearing will be furnished you as soon as possible after receipt of your request for hearing. If you desire to request a hearing, to receive consideration, it should be in writing (**with your correct mailing address, e-mail address and valid contact number**) and be received at this office on or before March 21, 2022.
