RE: Water Quality Certificate (WQC) File No. 24-096: Walker Marine Perimeter Limit (MPL) Realignment, Narragansett, RI

Dear Mr. Walker:

The Rhode Island Department of Environmental Management Office of Water Resources (RIDEM OWR) has reviewed the above-referenced project for compliance with the State Water Quality Regulations (§250-RICR-150-05-1). The project involves establishing a Marina Perimeter Limit (MPL) for an existing fixed dock with associated floating docks with a capacity for up to ten (10) boats, as further described in your application and detailed on site plans consisting of one (1) sheet as prepared by Carolyn J. Doyle, PE and submitted by Russell Morgan of GZA GeoEnvironmental Inc., received by RIDEM OWR on June 18, 2024. The State water associated with this project is Point Judith Pond, Class SB.

It has been determined that the above-referenced application is compliant with the requirements of the RI State Water Quality Regulations, provided that the applicant complies with the above-referenced project application materials and the following conditions:

- 1) The new MPL to be established is limited to the state plane coordinate points, starting in the southwest and moving counterclockwise to the northwest, as described below:

Point #	Easting (Feet)	Northing (Feet)
1	324,023.59	106,912.41
2	324,032.45	106,918.95
3	324,027.84	106,925.08
4	324,050.14	106,941.49
5	324,061.96	106,925.57
6	324,081.07	106,932.11
7	324,098.61	106,944.87
8	324,118.10	106,966.59
9	324,111.16	106,997.80
10	324,098.70	106,997.88

11	324,087.47	107,018.54
12	324,036.73	107,001.85
13	324,043.66	106,966.26
14	324,026.74	106,953.75
15	324,015.35	106,971.26
16	323,989.63	106,954.53

- 2) This WQC does not relieve your obligation to obtain and adhere to any other applicable local, state and federal permits prior to commencing project. Should any stipulation/condition identified within any other applicable permit be in conflict with the conditions set forth in this WQC, the applicant shall notify RIDEM OWR immediately.

In addition to any necessary enforcement actions stemming from the violation of any of the terms or conditions of this Water Quality Certificate, issuance of this certificate does not bar the Rhode Island Department of Environmental Management, nor any of its various Divisions, from initiating any investigation and/or enforcement actions that it may deem necessary for violations of this certificate or of any and all applicable statutes, regulations and/or permits, including but not limited to violations of the terms or conditions of any previous Water Quality Certificate(s) issued to you as an applicant for this site.

This is the State's Water Quality Certification, which shall have the full force and effect of a permit issued by the Director. Violation of the Terms and Conditions of this Certification may result in violation of the State's Water Quality Regulations and appropriate enforcement action.

Should you have any questions or require additional information, you may contact me or Rebecca Russell at Rebecca.Russell@dem.ri.gov or 401-537-4157.

Sincerely,

Applicant: B. Walker

Town: Narragansett

Response Date: 5/28/24

Dear Mr. Coia,

The Rhode Island Historical Preservation & Heritage Commission has reviewed the above- referenced project. It is our conclusion that this project will have no effect on any significant cultural resources (those listed on or eligible for listing on the National Register of Historic Places).

These comments are provided in accordance with 650-RICR-20-00-1.2.3 Areas of Historic and Archaeological Significance of the Coastal Resources Management Council. If you have any questions, please contact Charlotte Taylor, Principal Archaeologist, or Elizabeth Totten, Project Review Coordinator, at this office.

Sincerely,

Jeffrey D. Emidy
Executive Director
State Historic Preservation Officer
