Revolution Wind, a 50/50 joint venture between Orsted North America Inc. ("Orsted") and Eversource Investment LLC ("Eversource"), propose to construct the Revolution Wind Project (Project). The project components applicable to this Category B Assent Application include the Revolution Wind Export Cable within RI-State waters (RWEC-RI), installation of two underground transition joint bays within the Landfall Work Area to connect the RWEC-RI with the Onshore Transmission Cable, and the construction and operation of an Onshore Substation. All project components are detailed within the included Project narrative and supporting application documentation.

Have you or any previous owner filed an application for and/or received an assent for any activity on this property? (If so please provide the file and/or assent numbers): 1998-10-061

Is this site within a designated historic district? ☐ **YES** ■ **NO**

Is this application being submitted in response to a coastal violation? ☐ **YES** ■ **NO**

If YES, you must indicate NOV or C&D Number: _____

Name/mailing addresses of adjacent property owners whose property adjoins the project site. Accurate mailing addresses will insure proper notification. _____Applicant must initial to certify accuracy of adjacent property owners and accuracy of mailing addresses.

Please see the attached abutter notification list and figure in appendices of the application narrative.

STORMTOOLS (Http://www.beachsamp.org/resources/stormtools/) is a planning tool to help applicants evaluate the impacts of sea level rise and storm surge on their projects. The Council encourages applicants to use STORMTOOLS to help them understand the risk that may be present at their site and make appropriate adjustments to the project design.

NOTE: The applicant acknowledges by evidence of their signature that they have reviewed the Rhode Island Coastal Resources Management Program, and have, where possible, adhered to the policies and standards of the program. Where variances or special exceptions are requested by the applicant, the applicant will be prepared to meet and present testimony on the criteria and burdens of proof for each of these relief provisions. The applicant also acknowledges by evidence of their signature that to the best of their knowledge the information contained in the application is true and valid. If the information provided to the CRMC for this review is inaccurate or did not reveal all necessary information or data, then the permit granted under this application may be found to be null and void. Applicant requires that as a condition to the granting of this assent, members of the CRMC or its staff shall have access to the applicant's property to make on-site inspections to insure compliance with the assent. This application is made under oath and subject to the penalties of perjury. 08/04

STATEMENT OF DISCLOSURE AND APPLICANT AGREEMENT AS TO FEES

The fees which must be submitted to the Coastal Resources Management Council are based upon representations made to the Coastal Resources Management Council by the applicant. If after submission of this fee the Coastal Resources Management Council determines that an error has been made either in the applicant's submission or in determining the fee to be paid, the applicant understands that additional fees may be assessed by the Coastal Resources Management Council. These fees must be paid prior to the issuance of any assent by the Coastal Resources Management Council.

The applicant understands the above conditions and agrees to comply with them.
